Safety Information

Keep yourself, business, and recipients safe by adding the appropriate safety testing information, according to your area. To find your local regulations and test information, use a government website for accurate information.

Print & Attach:

1. For best results, use 8.5"x11" cardstock and print at 100%.
TIP: For black & white, choose black ink only to save colored ink.
2. In the Print Menu choose to print your needed tags:
 - A. Color – page 4
 - B. Black & White – page 5
 - C. Text Only – page 6
3. Add materials, care, and any safety testing information to the back.
4. Cut:
 - A. [Cut](#) along the light gray lines.
 - B. Use a [hole puncher](#) to cut the circle in the top left corner.
5. Attach the Dragon:
Use yarn, thread, or other string to tie the label onto the dragon.

(All materials links are unaffiliated and are examples only; the items can be found locally as well.)

I'm not lost,
Just waiting for you.
Tiny and fierce,
A Gliding Pocket Dragon true.
Together at last,
Epic adventures we'll pursue!

*Caution: plastic eyes, beads, elastic rings, or other small pieces may become choking hazards. Keep away from children under 3 years.
